POLITEHNICA Bucharest**

We open your world through knowledge!

POLITEHNICA Bucharest
Faculty of Economics and Law
Pitesti University Center, ROMANIA

WHY participate?

The international communication session is the context in which you become well known in your domain, you can test your ideas and solutions for solving certain problems, you can practice your communication skills, you can participate to debates related to your professional interests, you can gain experience and new friends. All participants (students and teaching staff - coordinators) will receive a certificate from the POLITEHNICA Bucharest, ROMANIA, as a recognition of their involvement in scientific research competition. Winners will be awarded.

Until WHEN and HOW to access a section?

You can participate in the special edition of the International Students' Scientific Communication: **"Challenges in the Age of Artificial Intelligence: Economic and Legal Approaches"** addressing topics in the economic and legal fields, but also related fields, accessing one of the following sections:

International Interdisciplinary Section – English Language
Economy, Finance and European Economic Policies – Romanian Language
Accounting, economic-financial analysis and statistics – Romanian Language
Law and Public Administration – Romanian Language
Management and Marketing Tourism – Romanian Language
Economic informatics – Romanian Language

The interdisciplinary approaches are highly welcome!

Submit your paper to the section coordinator until 20th April, 2024 as follows:

International Interdisciplinary Section – **hybrid format** –

amelia.gheoculescu@upb.ro

Economy, Finance and European Economic Policies -

mariana_alina.hagiu@upb.ro

Accounting, economic-financial analysis and statistics –

mihaela.dumitru0602@upb.ro

Law and Public Administration – adriana.pantoiu@upb.ro

Management and Marketing – maria_eliza.antoniu@upb.ro

Tourism – maria_loredana.tuta@upb.ro

Economic informatics – mihaela.dumitru0602@upb.ro

The paper will have between 4 and 8 pages. The abstract and the full text will be written in English (Times New Roman, 12 pt.). The papers received will be registered only after the prior confirmation of the coordinating teaching staff.
